Introduction

This program is designed to assist you in organizing a systematic approach to entering insurance claims and provides accurate up-to-date records within your health department.

Please review the manual carefully to obtain the maximum benefits. Little or no prior computer experience is necessary to operate this program.

About This Manual

Clinical Services Module is simple to use. *The maximum benefit with* the least time spent will be obtained if you start at the first page of this manual and follow the directions exactly as you enter the first record in your computer.

Square boxes in this manual surround the key that you are to press on your keyboard.

As an example, when you read , press the **enter** key on your keyboard. ENTER

The word

TYPE is followed by bracketed [] instructions of what to type into a field.

Note: For Technical Support, email: helpdesk@hdis.org

Navigation

Whenever you see one click the left side of your mouse once.

Whenever you see two

click the left side of your mouse twice.

Navigation Keys For Entering Information

When you see a pull-down field, click the arrow to the right to view all your choices.

The program will then list all the clients with claims that have dates of service in the entered date range. Enter the amount received for the client and either click "**Post Date & Amt**" (for full payment) or "**Post Date, Amt & Adjust Off**" (partial payment). When finished posting payments for your clients, click "**Close**"

To post received payments for your Medical Insurance claims, enter the date range for the dates of service that you were paid and click "**Continue**".
