Environmental Assessment

Navigate to **Environmental Assessment** through **Environmental Health**:

Environmental Health > Environmental Assessment

After selecting *Environmental Assessment* a window will pop up

This window will allow you to search through all **Environmental Health Databases** for addresses.

Type in the **address** you want to search and it will show you the database/module it is entered in.

The purpose of the **Environmental Assessment** section is to allow you to do a broad search between all **Environmental Health** modules relating to records.
